

# CURSO INTENSIVO DE FOTOGRAFÍA DIGITAL

A nighttime photograph of a cityscape. In the background, a large, rugged rock formation is illuminated with warm lights, creating a dramatic silhouette against the dark sky. Below the rock, several multi-story buildings are lit up, their lights reflecting on a body of water in the foreground. The water is dark, and the reflections are clear. The overall scene is a mix of natural and urban elements, captured in a high-contrast, low-key style.
